HURRY!
HURRY!
HURRY!

Step right this way! The show is about to begin. You are about to see a spectacle unequalled in the annals of human history. A show so big it took four years in the making. Four years of fun and work, of tears and laughter, of hope and despair. You'll laugh, you'll cry, you'll be amazed at the proceedings before you. And now, without any further ado, we proudly present the main attraction: our yearbook—**VALKYRIAN 1966.**

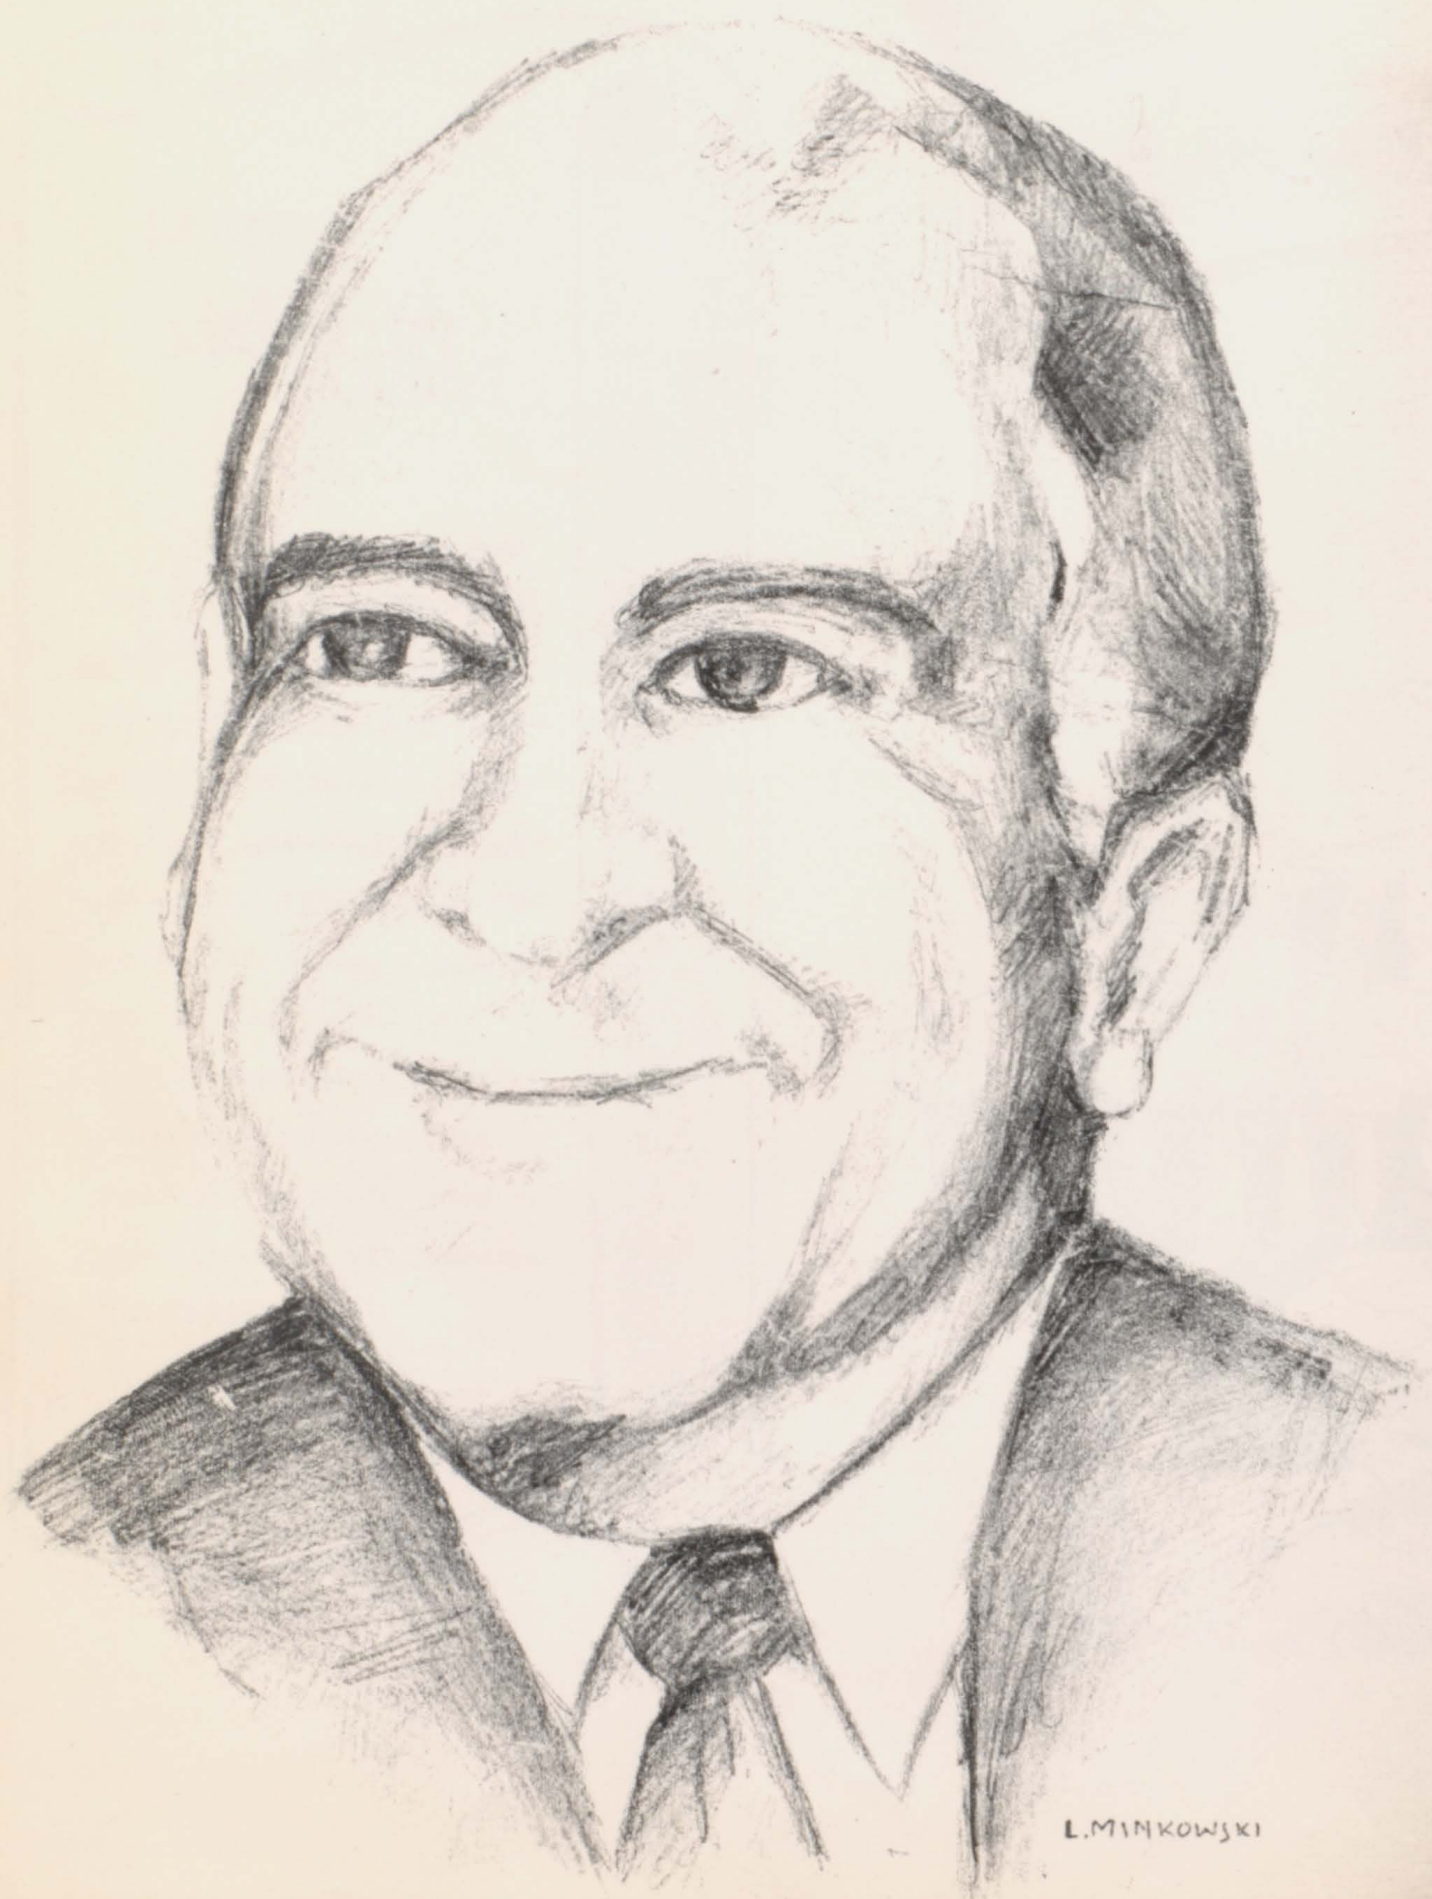

ENTRANCE

A hand-drawn illustration of a circus entrance. A tall, striped pole stands on the left, topped with a decorative finial. A banner with the word 'ENTRANCE' is draped across the top of the pole. Below the banner, a striped tent is visible, with two flags flying from poles. The ground is indicated by simple wavy lines.

DEDICATION

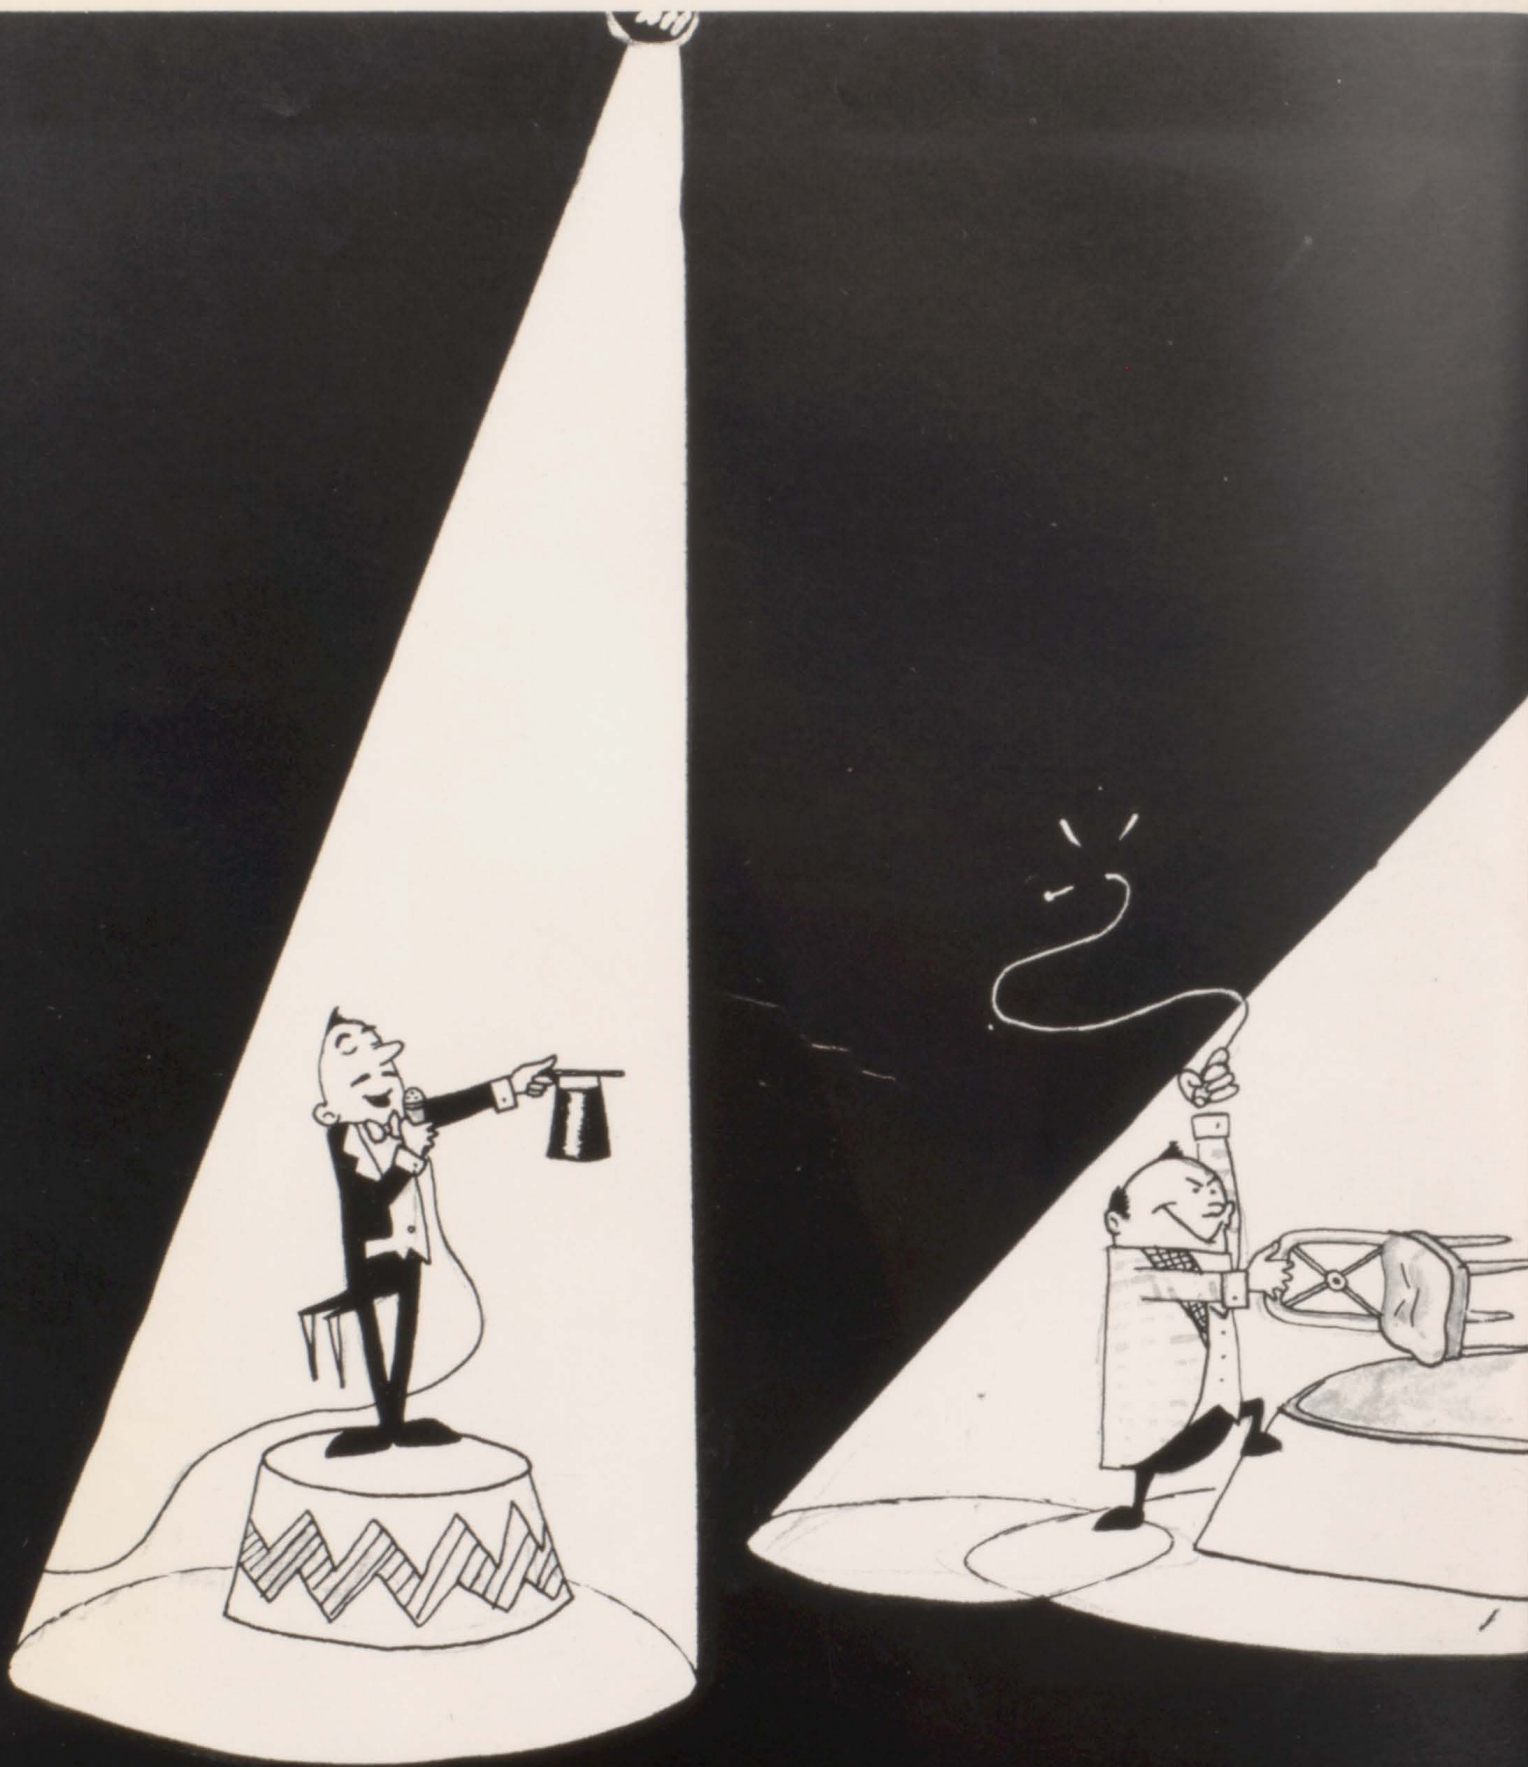

During our years at Vailsburg, we were fortunate to have an expert musician and teacher, Mr. Anthony A. Marcopoto, a man truly dedicated to his profession and to his students.

Mr. Marcopoto's contributions to Vailsburg are immeasurable. He has spent countless hours with our marching band, dance band, and orchestra. He gave school spirit a gigantic boost with his composing of our fight song, and his collaboration on our Alma Mater. He has been more than a teacher; he has been our friend.

We, the class of nineteen hundred and sixty-six, proudly dedicate our year-book, *The Valkyrian*, to Mr. Anthony A. Marcopoto.

DR. JOHN T. McSHARRY

PRINCIPAL

We at Vailsburg have been fortunate to have had Dr. John T. McSharry as our principal until this year. Without his leadership, Vailsburg High School would not have been able to attain such high standards of scholastic and athletic achievement.

We missed Dr. McSharry's smiling countenance and wise words this year when he was on sabbatical leave, but we remember him with fondness and respect.

MR. WILLIAM A. MONPRODE, JR.

ACTING PRINCIPAL

Mr. William A. Monprode has served as acting principal of Vailsburg for the 1965-66 school year. His previous experience as our vice-principal has prepared him well for this demanding position. We sincerely appreciate Mr. Monprode's firm and competent administration and his alert and sympathetic interest in all the students of Vailsburg.

MR. MORRIS BRENMAN

ACTING VICE-PRINCIPAL

In September 1965, Vailsburg High School welcomed acting Vice-Principal, Mr. Morris Brenman. Mr. Brenman's extensive education and experience enabled him to step into this difficult position with ease. His authoritative but congenial manner gained for him the confidence and respect of the student body. Vailsburg is indeed fortunate to have added Mr. Brenman to its faculty.

PRINCIPAL'S MESSAGE

To the Class of 1966:

Congratulations upon your graduation. By serving Vailsburg High School with Liberty and Loyalty, you have helped to make it the "superior school" the state evaluators found it to be.

Continue to serve your family, your community, and your country with Liberty and Loyalty as other Americans have done from Bunker Hill to Viet Nam. As they have made America the wonderful country it is today, so you can help to make it even better tomorrow.

WRESTLING

"Hey, get off my back."

A new coach and an experienced squad have combined to make for a very successful season. Under the able coaching of John Allen, these hard-working and spirited young men climaxed their season with a splendid victory over last year's city champs—Barringer. Our formidable team has brought credit to our school.

COMPLETES BEST SEASON

10 seconds flat in the hundred, 60 feet in the shotput, and 13 feet in the pole vault were the goals which some of the boys strove for. The impetus behind them was Mr. Hill, the head coach, and Mr. Scavone, who coached the field men. Although all goals were not attained, the hard work, and determination, which many boys showed were manifested in the final outcome of their season. Three victories, their finest season—was their reward.

FACULTY GAMES

ATHLETIC NIGHT

The Valkyries were those in Norse mythology who inspired the Vikings during battle, giving the warriors courage to fend off their foes. These maidens were sent to select the bravest heroes and bring them back to Valhalla. To carry our theme of the *Vikings*, we named our yearbook the *Valkyrian* after these people who gave encouragement in time of need.

A LETTER OF THANKS . . .

As we reminisce, we recall a most wonderful and memorable experience, for we as novice journalists have completed our first major publication, the 1966 *Valkyrian*.

Without the invaluable technical assistance and unsparing time and effort of Mr. Eugene Hanley, our yearbook advisor, we surely would have been unsuccessful in our endeavor.

Our gratitude also goes to Mr. Yam and Mrs. Zarin who with their moral support and advice have made a necessary contribution. The faculty and student body have been indispensable in helping us, and on behalf of the editorial staff I would like to thank them all.

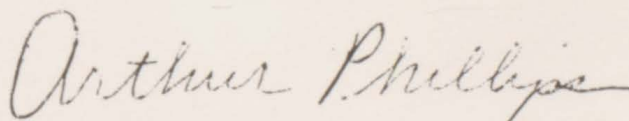

Special thanks go to our acting principal, Mr. William Monprode, for his patience and understanding. At times, I am sure, he wondered how a yearbook staff could have so many problems, but he always put his trust in us.

As we recall our most industrious workers and dedicated personnel several people come to mind. Alan Preston, Susan Gibson, Paula Mieliwocki, Bill Wittik, Linda McIntosh, Naomi Holzer, Tema Green, Elaine Greenfield, Ed Levey, Kathy Hurle, Fay Campisi, Bob Cisco, Linda Minkowski, and the sales staff have dedicated themselves whole-heartedly, and have given freely of their talents and skills.

To say the least, the editorial staff and Ronnie Schiller, our roving photographer, have generously contributed their sparkling abilities.

Our purpose in bringing you this yearbook is to help you relive and recall all the challenges, accomplishments, and friendships which you, the student body, have made here at Vailsburg. We hope you'll enjoy the 1966 *Valkyrian* as much as we have enjoyed bringing it to you.

Sincerely,

A handwritten signature in cursive script that reads "Arthur Phillips". The signature is fluid and elegant, with a long horizontal flourish at the end.

Arthur Phillips
Editor-in-Chief

IN MEMORIAM

Mr. Charles T. Valentine

I am not resigned to the shutting away of loving hearts in the hard ground.
So it is, and so it will be, for so it has been time out of mind:
Into the darkness they go, the wise, and the lovely. Crowned
With lilies and with laurel they go; but I am not resigned.

Lovers and thinkers, into the earth with you,
Be one with the dull, the indiscriminate dust.
A fragment of what you felt, of what you knew,
A formula, a phrase remains—but the best is lost.

The answers quick and keen, the honest look, the laughter, the love—
They are gone. They are gone to feel the roses. Elegant and curled
Is the blossom. Fragrant is the blossom. I know. But I do not approve.
More precious was the light in your eyes than all the roses of the world.

Down, down, down into the darkness of the grave
Gently they go, the beautiful, the tender, the kind;
Quietly they go, the intelligent, the witty, the brave.
I know. But I do not approve. And I am not resigned.
